- Electric utilities
- Fence lines
- Lakes*
- Golf courses
- Highways
- Public utility lines
- Commercial buildings
- Parkway
- Drainage ditches*

*Aquatic use where there is little or no outflow of water and which are totally under the control of the product's user.

Effective Against

- Broad leaf weeds
- Grasses
- Aquatic weeds

Features and Benefits

- Non-Selective vegetation killer for control of broadleaf weeds, grasses and aquatic weeds
- Kills most forms of plant growth without damage to the soil
- Effects are visible in only a few days
- Deactivates on contact with soil

Properties

Appearance.....	Yellow Liquid
Fragrance	Characteristic
Specific gravity.....	1.01
pH	4.0 - 6.0

Authorizations: EPA registered product Not available under the Total Solutions brand name. Registration required.

Directions Complete directions on product label

Terrestrial Application: Apply to young weeds since control decreases as weeds mature. Retreatment may be necessary to control grasses and established weeds. Dilute 2 to 5 gallons plus 8-16 oz of a nonionic surfactant per 100 gallons of water. (6 2/3 oz plus teaspoon of nonionic surfactant to one-gallon water). Apply for full coverage and thorough weed contact.

Submersed Aquatic Weeds: 10-20 gallons per surface acre. Apply by directly pouring from container into the water and moving over the water surface in a boat.

Floating Aquatic Weeds: 5-7 _ gallons per surface acre. Dilute in 150 to 200 gallons of water plus 1 pint of nonionic surfactant and spray for the control of the weeds.

Duckweed: 10 gallons per acre. Dilute in 50 -150 gallons water. Cover all plants on water and on damp marginal areas.

Marginal Weeds (infesting the edges and other portions of ponds, lakes and ditches): 10 gallons in 100 gallons of water, plus 1 pint of a nonionic surfactant and cover weeds thoroughly.

Algae: Apply 0.5-1.5 ppm.

Ingredients

	Amount
Diquat dibromide (6,7-dihydrodipyrido (1,2-a:2', 1'-c) pyrazinedium dibromide	4.35%
Inert Ingredients	95.65%

Contains 0.2 lbs. Diquat cation per gallons as 0.371 lbs. salt per gallon.

Safety

Caution: May irritate eyes. Keep out of the reach of children.
