

DESCRIPTION

Each wipe is premoistenend with a powerful formula that removes deposits and oxidation from sensitive metal surfaces like brass, silver and copper. They are strong enough to remove tough stains and deposits, yet gentle enough to polish and protect metal surfaces against further damage.

Each wipe utilizes a dual-purpose cloth towel. One side of the wipe features a non-scratching abrasive fabric to aid in the removal of stains and oxidation, while the opposite side of the wipe is smooth to help polish and buff the surface to a bright shine.

CAUTION

Eye and skin irritant. Avoid contact with eyes. Avoid prolonged contact with skin. Do not take internally.

FIRST AID:

IF IN EYES: Flush with water for at least 15 minutes. If discomfort persists, see a physician.

IF ON SKIN: Wash with soap and water. If irritation is persistent, contact a physician.

KEEP OUT OF REACH OF CHILDREN

See MSDS for complete safety information.

DISPOSAL: Offer empty container for recycling. If recycling is not available, discard container in trash. Discard used towel in trash.

9.5" x 12" (25.13 cm x 30.48 cm) Premoistened Wipes

Manufactured By: Total Solutions™
PO Box 240014 • Milwaukee, WI 53224

DIRECTIONS

Protective gloves are recommended while using this product. Scrub surface with abrasive side of towel until stains and deposits disappear. Use the smooth side to wipe the surface clean. Discard used towel. For a superior shine, buff lightly with a soft, dry towel after application.

DIRECTIONS FOR DISPENSING

1. Remove lid by lifting upward. Remove foil seal.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.
