

Green Fire

Product # 1603

Eliminates over application and waste

This granular ice melter dissolves snow and ice in temperatures below 0°F. It is safe to use on concrete or asphalt, and is enhanced with a green color to prevent over application and waste. Plus, it is non-caustic to skin, so it can be applied by hand.

Use on:

- Sidewalks
- Driveways
- Stairs
- Parking lots
- Cement
- Concrete
- Asphalt
- Flagstone

Features and Benefits

- Works immediately to melt ice, frost and snow.
- Non-corrosive to concrete when used as directed.
- Does not leave a residue on carpets and floors.
- Generates exothermic heat to power through thick ice deposits.
- Contains anti-corrosive material.
