Product # 166

General non-acid cleaner and disinfectant

The ready-to-use liquid is designed as a general non-acid cleaner and disinfectant for use in homes, hospitals, schools, office buildings and other facilities to control the hazard of cross contamination. It is formulated to disinfect a wide variety of hard, non-porous, inanimate surfaces like floors, walls and countertops. It also deodorizes areas that are generally hard to keep fresh smelling, like garbage cans basements and restrooms.

For Use In:

- Hospitals and nursing homes
- Public restrooms
- Schools
- Kitchens
- Office buildings
- Manufacturing facilities
- Retail businesses
- Locker Rooms
- HVAC cooling coils and refrigeration equipment

Note: This product is not for use on critical or semi-critical medical device surfaces.

Effective Against Bacteria Tuberculosis, Viruses, Fungus and Mildew:

- Staphylococcus aureus (CA-MRSA),
- Streptococcus pyogenes
- HIV-1
- Corynebacterium ammoniagenes
- Staphylococcus aureus (VISA)
