Product # 1708

Neutral pH auto scrubber concentrate

This liquid concentrated floor cleaner features a non-alkaline neutral pH formula that cleans without dulling the existing floor finish. Although it was designed for use with auto scrubbers, its versatile and potent enough to be applied using a mop and bucket too. It can be used in conjunction with virtually any floor-finishing product, and can be diluted at a variety of rates to customize the solution to the surface and type of soil being removed.

Use on Finished Floors:

- Tile
- Hardwood
- Bamboo
- Vinyl
- Marble
- Ceramic
- Linoleum
- Stone
- Terrazzo

Features and Benefits

- Has a neutral pH to provide a brighter, shinier floor finish.
- Safe and effective to use with floor finishing products.
- Will not haze or yellow existing floor finishes.
