

## DESCRIPTION

This product is a strong powdered cleanser that removes hard water stains and stubborn mineral deposits from a variety of surfaces. It will remove soap scum, aluminum screen stains, and even rust from many surfaces including glass, porcelain and tile. Won't scratch surfaces.

It's also great for use in bathrooms and kitchens to make tubs and sinks sparkle like new.

## WARNING

**HARMFUL IF SWALLOWED. CAUSES RESPIRATORY IRRITATION. CAUSES SKIN AND EYE IRRITATION.** Do not take internally. Avoid breathing dust. Avoid contact with eyes and skin. Wash thoroughly after handling. Keep container tightly closed. Use only with adequate ventilation.

### FIRST AID:

**IF SWALLOWED:** Contact a physician or poison control center immediately. DO NOT induce vomiting.

**IF IN EYES:** Contact a physician or poison control center immediately. Flush eyes with water for at least 15 minutes.

**IF ON SKIN:** Wash skin with soap and water. Remove all contaminated clothing and laundry separately before reuse. If irritation is persistent, contact a physician.

**IF INHALED:** Move person to fresh air. If irritation is persistent, contact a physician.

See M.S.D.S. for complete safety information.

### KEEP OUT OF REACH OF CHILDREN

**HANDLING AND STORAGE:** Keep container tightly closed when not in use. Do not mix with other chemicals. Do not store in unmarked containers. Rinse thoroughly with water before recycling container.

## DIRECTIONS

It is recommended that gloves and protective eyewear be used. Always test in an inconspicuous area.

Wet surface to be cleaned and a non-abrasive pad with water. Place a small amount of product on the non-abrasive pad. Apply product to surface in circular motion with pressure. Work in small areas at a time, rinsing as you go. Squeege dry, or dry with a clean towel. Repeat steps if necessary for tough stains.

**WARNING:** This product contains a chemical known to the State of California to cause cancer
