

DESCRIPTION

Enviro-Caustic™ Drain Opener is a true breakthrough drain opener. With a pH of 13 and caustic formulation, it offers the performance of a traditional caustic drain openers, but is non-irritating to skin.

Its thickened formula is heavier than water, so it sinks to the point of obstruction to begin working quickly. Highly effective against blockages caused by hair. Extremely fast-acting, odorless, and simple and safer to use. Odorless, biodegradable, and nonflammable. Ships DOT non hazardous.

DIRECTIONS

FOR SEWER MAINS:

Pour 2-4 gallons into manhole or drain upstream and as close to the obstruction as possible. For best results, use regularly to keep sewer main open and free flowing.

FOR LATERALS:

Pour 1 gallon into drain upstream and as close to the obstruction as possible.

FOR DRAINS:

Pour 1/2-1 quart slowly into the drain. Allow to work for 30 minutes. For difficult obstructions, a second application may be necessary.

Where there is a history of obstructions, the regular use of this product at weekly intervals (or more often if required) will keep the line open and free flowing.
