

Ice Erase

Product # 277

Advanced Liquid Ice Melt Formula

This advanced potassium acetate salt-based liquid penetrates quickly to dissolve frost, snow and ice accumulations from a wide variety of surfaces. It can also be used as a pre-treat up to 12 hours prior to storms to prevent accumulation. Its melting action does not generate any heat; it is non-corrosive and will not cause damage to surfaces or leave a residue; and it is non-burning to surrounding grass areas.

Ice Erase meets the requirements of "AMS 1435B Fluid, Generic, Deicing / Anti-Icing for Runways and Taxiways", making it an ideal solution for airport ice management on runways and taxiways.

Use on:

- Airport runways
- Airport taxiways
- Building roofs
- Terrazzo
- Sidewalks
- Loading docks
- Hinges
- Rubber
- Driveways
- Locks
- Coal conveyors
- Aluminum
- Stairs
- Chains
- Asphalt
- Steel
- Bridges
- Linkages
- Concrete
- Plastic

Features and Benefits

- Prevents build-up of ice and snow
- Ideal alternative to harmful deicing pellets
- Contains corrosion inhibitors

Properties

Appearance..... Hazy Colorless Liquid
Fragrance..... None
Ready to use.... Yes

Directions

Complete directions on product label
Anti-icing: Approximately 0.5gallons per 1000 square feet
Deicing thin layers of ice: Approximately 1 gallon per 1000 square feet.
More product will be required to melt heavier layers.

Authorizations: Meets all FAA specifications for SAE AMS 1435B Runway deicing/anti-icing fluids

Active Ingredients

Active Ingredients	CAS Number
Potassium Acetate.....	127-08-2
Water.....	7732-18-5
Tripotassium phosphate.....	7778-53-2
Citric acid.....	77-92-9
Tetrahydrolyltriazole.....	1307867-84-0

Safety

Caution: May cause eye and skin irritation. Keep out of the reach of children.

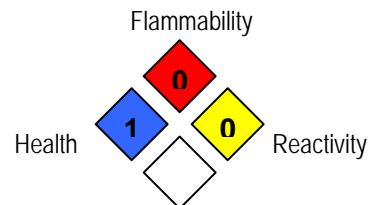

DOT Shipping (ground transportation)

Proper Shipping Name: None
Class: None
ID Number: None
Package Group: None

Quantities

30, 35 & 55 gallon
5 or 6 gallon
6 X 1 gallon
4 X 1 gallon
