

HYGIEN SANITIZING GEL

Product # 285

Germ-Killing Gel Liquid

This waterless sanitizing gel provides effective cleansing in only one step. It's the perfect alternative to hand washing when soap and water is not readily available. It kills 99.9% of the germs and bacteria commonly associated with disease and infection within seconds after application and also prevents cross-contamination. The powerful germ-killing formula is enhanced to soothe and moisturize the skin.

Features and Benefits

- Eliminates 99.9% of germs and bacteria from the skin in seconds.
- Sanitizes and moisturizes in one step.
- Waterless formula eliminates the need to rinse or use towels.
