To control odors on fabrics and hard surfaces, dilute 1:1 with water. Spray directly onto garbage cans, disposals and compactors, linen hampers, ash trays, urns, toilets, urinals, bed pans, sink, shower, tub and floor drains, cabinets, laundry chutes, washing machines, drapes, rugs, carpets, and furniture.

To deodorize floors and rugs, add 2-3 ounces to the mop bucket, rug shampoo, or extractor solution tank.

Always test fabrics for color fastness in an inconspicuous place.
