

This high performance product reduces maintenance on all hard surfaces. Formulated with the latest cleaning agents and silicones, it renews and protects a wide variety of surfaces, including glass, tile, plastic, wood, vinyl, metal and all painted surfaces.

Wipe it on WINDOWS, MIRRORS and STOREFRONTS to resist dust, fingerprints and smudges.

Spread it on LEATHER, FORMICA, VINYL BUS SEATS, CABINETS and DESKS to repel water, vandal marks and ground-in dirt.

Spray it on DRINKING FOUNTAINS, TILES, TOILET PARTITIONS and COUNTERTOPS to shed soap, mineral deposits and water marks.

Use it to give a clean, smooth, lustrous, water and soil repellent finish to almost any surface!

MULTI-PURPOSE PROTECTIVE COATING

CLEANS, SHINES AND PROTECTS

ALL HARD SURFACES WITH SPACE AGE SILICONES

CAUTION

May be harmful if swallowed. See side panel for additional precautions and first aid instructions.

KEEP OUT OF REACH OF CHILDREN

DIRECTIONS

Spray or spread onto surface. Wipe clean and buff to a high luster with a soft cloth. Repeated applications will increase the luster, repel water and anti-soil properties.

Do not use on floors. Wipe up spills immediately to prevent slippery spots.

CAUTION

May be harmful if swallowed. If swallowed, give several glasses of water and induce vomiting.
