

This floating lift station degreaser uses the natural cleaning power of Limonene from orange peel extract. The powerful solvent cleaner strips away heavy grease accumulations from walls and pumps and quickly dissolves grease balls. It deodorizes as it cleans and leaves the clean scent of fresh oranges.

The special floating formula washes down the sides of the lift station as the water level rises and falls. The all-natural ingredients work quickly and effectively without the environmental hazards or disruption of biological treatment processes.

DIRECTION

Use approximately 1/2 gallon for each square foot of water surface. This special non-emulsifiable formula floats on the surface for continuous cleaning action.

ALL NATURAL FLOATING LIFT STATION DEGREASER

STRIPS AWAY GREASE WITH
THE POWER OF LIMONENE

CONTAINS NO PETROLEUM SOLVENTS
