

DESCRIPTION

This all-purpose industrial cleaner-degreaser has an incredible zero rating in the three NFPA categories of flammability, health, and reactivity when diluted. It is so safe that it can be used on virtually any surface, including metal, plastic, wood, painted surfaces, fiberglass, rubber, fabrics, carpet, ceramic, and glass.

While gentle on surfaces, it is strong enough to remove heavy dirt, grease, grime, oil, scuffs, shoe polish, food deposits, adhesives, stains and soils. Leaves behind a fresh, pleasant fragrance.

Contains corrosion inhibitors to prevent damage to metal surfaces.

CAUTION

Avoid contact with eyes. Wash thoroughly after handling.

FIRST AID:

IF SWALLOWED: Contact a physician or poison control center immediately. Rinse mouth with water. Give affected person one to two glasses of water. Do not induce vomiting. Never give anything by mouth to an unconscious person.

IF IN EYES: Flush eyes and under eyelids with plenty of cool water for at least 15 minutes. If irritation persists, obtain medical attention. If irritation is persistent, contact a physician.

IF ON SKIN: Wash skin with soap and water. If irritation persists, obtain medical attention.

IF INHALED: Remove person to fresh air.

See *M.S.D.S.* for complete safety information.

KEEP OUT OF REACH OF CHILDREN

HANDLING AND STORAGE: Keep container tightly closed when not in use. Avoid excess heat and open flame. Do not store in unmarked containers. Rinse empty container before recycling.
