

This blend of powerful detergents and brighteners is designed to remove dirt, road tar and grime and scuff marks from tire white walls. It leaves tire white walls sparkling bright and like-new without scrubbing. It will not deteriorate tires or harm paint like abrasive or bleach products.

DIRECTIONS

This cleaner is ready-to-use. Spray or brush on to cover all parts of the white wall. In automatic washes, spray on before sending car through the wash. For manual washing, spray on and allow to act for several minutes, then flush thoroughly with clean water. Scrubbing or brushing is not required for normal cleaning.
