

## DESCRIPTION

This cleaner and degreaser has an incredible zero rating in the three NFPA categories of flammability, health and reactivity. It is so safe it can be used on virtually any surface, including metal, plastic, wood, painted surfaces, fiberglass, rubber, fabrics, carpet, ceramic, and glass.

While gentle on surfaces, it is strong enough to remove heavy dirt, grease, grime, oil, scuffs, shoe polish, food deposits, adhesives, stains and soils. It also leaves surfaces smelling clean with a fresh, pleasant scent.

## CAUTION

May cause eye irritation. Avoid contact with eyes. Wash thoroughly after handling.
