Product # 428

Detergent and deicer for meat lockers, freezers and coolers

This ready-to-use degreaser and detergent is designed for quick cleaning and deicing of all cold storage, meat lockers and freezer areas. Its powerful formula works in temperatures down to -20°F, so it melts through ice and frost to strip away grease, grime, fats and dirt. It is also safe to use on all metal, concrete, tile, rubber and other painted hard surfaces.
