

# Enviro-Caustic™ Smokehouse Cleaner

Product # 433

Enviro-Caustic™ Smokehouse Cleaner is a true breakthrough cleaner and degreaser. With a pH of over 12.5 and caustic formulation, it offers the performance of traditional oven, grill and smokehouse cleaners, but is non-corrosive to skin, odorless, biodegradable, and ships DOT non-hazardous in all sizes.

This foaming formula will stick and cling to vertical and horizontal surfaces allowing for maximum dwell time and better cleaning. #433 Enviro-Caustic™ Smokehouse Cleaner is extremely effective against grease, fat, oil, carbon, dirt, and baked-on deposits commonly found on food prep and cooking surfaces making it ideal for use on ovens, grills, deep fryers, smokehouses and meat curers.

## Use On:

- Ovens
- Smokehouses
- Deep Fryers
- Grills
- Food Processing Equipment
- Meat Curing Equipment

## Effective against:

- Oil and Grease
- Baked On Deposits
- Fats
- Carbon

## Features and Benefits

- Ships DOT non-hazardous in all sizes
- pH of greater than 12.5 but non-corrosive to skin
- Mild odor
- Biodegradable
- Foaming formula clings to vertical and horizontal surfaces
- Pending NSF A8 approval

## Properties

|                      |                  |
|----------------------|------------------|
| Appearance:          | Colorless liquid |
| Fragrance:           | Mild odor        |
| Ready-to-Use:        | Yes              |
| Specific Gravity:    | 1.07             |
| pH:                  | > 12.5           |
| Solubility in Water: | Complete         |

## Directions *Complete directions on product label*

Use as-is or dilute up to 10 parts hot water. Adjust the dilution rate according to the equipment manufacturer's instructions. Apply directly onto surface. Allow to penetrate and soften deposits. Scrape away loosened deposits. Rinse with clean, hot water.

## Authorizations

Pending NSF A8 approval: Degreasers and carbon removers for cooking and smoking equipment and related surfaces

## Active Ingredients

## CAS Number

|                         |             |
|-------------------------|-------------|
| Water:                  | 7732-18-5   |
| Trade Secret:           | Proprietary |
| 2-butoxyethanol         | 111-76-2    |
| Sodium Tripolyphosphate | 7758-29-4   |
| Sodium Laureth Sulfate  | 9004-82-4   |

## Safety

May be harmful if swallowed. May cause eye and skin irritation. Keep out of reach of children.
