

DIGESTASE GTD 655

Product # 511

Environmentally safe grease trap digestant

This product is a natural digestant that uses nature's own cleaning agents to rid grease traps and plumbing of grease accumulations. Fortified with lipase enzymes for instant action. Use it regularly to prevent clogs or back-ups and reduce or eliminate the need for unpleasant manual cleaning of traps. Non-toxic, environmentally safe, this product uses the natural digesting power of selected bacteria strains. It helps to degrade grease accumulation by nature's own methods. Contains no harsh chemicals, no corrosive acids or caustics.

Uses:

- Grease traps
- Trickling filters
- Digesters
- Lagoons

Effective Against

- Odor
- Digests waste
- Grease
- Reduces sludge

Features and Benefits

- Attack, liquefy and remove grease, fat and oil faster
- Contains both anaerobic (can live with no oxygen) and facultative (can live with or without oxygen) bacteria
- Bacteria are in spore form for extended shelf life
- Contains vitamins to enhance bacterial growth
- Decreases BOD load
