

**NO HARSH CHEMICALS
BIODEGRADABLE – NON-TOXIC
CERTIFIED SALMONELLA FREE**

This concentrated digestant contains selected multi-cultured strains of natural enzyme-producing bacteria. These special strains of bacteria are very efficient at digesting organic waste to help eliminate malodors. They consume organic matter to eliminate odors at their source on most kitchen and bathroom surfaces, toilets, urinals, rugs and carpets.

DIRECTIONS FOR USE: SHAKE OR MIX WELL BEFORE USING.

CONTROLS SURFACE ODORS caused by spoiled food, vomit, urine, feces, mold and mildew or other organic spills. Safe to use on all surface not harmed by water, dilute 1:1 with tap water. Spray a heavy mist to wet the surface and allow to eliminate odors naturally.

CARPETS AND UPHOLSTERY: Remove as much soil as possible, using a general purpose cleaning if necessary. Dilute this product 1:1 with tap water and spray to wet the fibers thoroughly. Brush into the material. Lay a damp towel over the area to keep moist for at least 24 hours. Severe odors may require a daily treatment for up to 10 days. Use on vinyl and porcelain tile, concrete, metal and painted surfaces.

TO KEEP PLUMBING FREE FLOWING AND FRESH SMELLING, treat drains with recommended amount every week. Apply at the end of the day or when flow is at its lowest, and treat the lowest floors first.

- Kitchen Sinks 4 ounces**
- Bathroom Sinks 4 ounces**
- Mop Sinks 8 ounces**
- Laundry Sinks 8 ounces**
- Floor Drains 4 ounces**
- Dishwashers 8 ounces**
- Urinals, toilets 2 ounces**
