

# Multi-Metal Polish

Product # 670

*Cream Polish for Decorative and Structural Metals*

This mild abrasive cleaner and polish features a low-odor formula designed to remove dirt, grease, watermarks and oxidation from most decorative metal surfaces. It brings out the natural shine on brass, bronze and pewter, as well as on structural metals like aluminum, copper and stainless steel.

## Ideal for Use On

- Brass
- Stainless steel
- Chrome
- Copper
- Aluminum
- Pewter ware

Note: Do not use on sterling silver, antique or lacquer finished surfaces

## Effective Against

- Grease
- Grime
- Dirt
- Metal tarnish

## Features and Benefits

- Cleans decorative metals, leaving a lustrous shine
- Makes stainless steel appliances and sinks sparkling clean
