

A special blend of natural waxes and silicone gives fine wood furniture a naturally beautiful glow without wax build-up. This polish should be used every time you dust to give a high gloss finish that actually repels dust, moisture, fingerprints and smudges.

This furniture polish is ideal for cleaning and polishing kitchen counters and cabinets, wood paneling, appliances, desktops, metal filing cabinets, stainless steel and all other plastic, metal and painted surfaces.

DIRECTIONS

Stir well before using. Spray a mist of polish evenly over surface and wipe immediately. Polish to a high gloss with a clean, soft cloth. For hard to reach areas, spray polish directly on cloth.

NOTE: Do not apply to floors. This furniture polish may make floors extremely slippery and hazardous.
