

# Chlorinated Foaming Cleaner

Product # 690

Concentrated bleach cleaner

This high-foaming concentrate is formulated with chlorine bleach to offer maximum grease and stain cutting power. It can be used in a wide variety of applications, at multiple dilution rates, to offer an economical and versatile cleaner for the meat, poultry and food-processing industries. When used with a foam-generating sprayer, it turns into a thick, clinging foam capable of cleaning severe grease accumulations.
