ELIMINATES WATER SPOTS

### CAUTION

Harmful if swallowed.  
See side panel for further precautions  
and first aid instructions.  
**KEEP OUT OF REACH OF CHILDREN**

NET CONTENTS: 1 gallon (3.78 liters)

# MINERAL SOLVENT

**ELIMINATES WATER SPOTS AND HAZE**

**INCREASES EFFECTIVENESS OF  
DETERGENTS AND SANITIZERS**

This water conditioner and softener is designed for use in all areas with hard water problems. It removes calcium and magnesium hardness from water, so detergents and sanitizers work more effectively – and also eliminates water spots and mineral haze. Regular use makes glasses "perfectly" clean and crystal clear, for beer with rich aroma, superb taste, and creamy head that holds to bottom of the glass!

#### DIRECTIONS:

To eliminate hard water deposits and water spotting on glassware, add 3/4 ounce to the first and last tanks, before adding the detergent and sanitizer. Use with every water change to assure sparkling clean, clear, spot-free glasses with every wash.

### CAUTION

Harmful if swallowed. May irritate eyes and mucous membranes. Avoid contact with eyes and mucous membranes.

#### FIRST AID

**IF SWALLOWED:** Contact a physician or poison control center immediately. DO NOT induce vomiting.

**IF IN EYES:** Flush eyes with water for at least 15 minutes. If irritation is persistent, contact a physician.

**IF ON SKIN:** Wash skin with soap and water. Remove all contaminated clothing and launder separately before reuse. If irritation is persistent, contact a physician.

**IF INHALED:** Remove person to fresh air. If irritation is persistent, contact a physician.

*See M.S.D.S. for complete safety information.*

### KEEP OUT OF REACH OF CHILDREN

**Handling & Storage:** Keep container tightly closed when not in use. Do not store in unmarked containers. Do not reuse empty container. Rinse thoroughly with water before recycling container.
