

BEER LINE CLEANER

Product # 764

Cleans lines, taps and cooling coils

This non-foaming liquid cleaner is formulated to eliminate residues and deposits in beer and wine dispensing lines of up to 100 feet. It flushes out lines and taps to keep them clean and fresh and helps maintain the true flavor and aroma of beverages. It can also be used as a soak solution for faucet parts, strainers and other sink and bar accessories.

Use on:

- Beer lines
- Beer taps
- Faucets

Effective Against:

- Beverage residues
- Grease and oils
- Film
- Water spots

Features and Benefits

- Low-foaming liquid cleaner is designed for electric brush washers
- Removes grease, oils, lime film, water spots and other unsightly residue from glassware
