

DESCRIPTION

This oil based product formulation attracts dust and dirt to mops and cloths. The effect of the chemicals increases the dust catching capabilities and eliminates flying dust and resettling. Heavily lint on a mop or cloth can be shaken or washed out.

Use on finished resilient asphalt, vinyl, rubber and linoleum floors. A routine program will extend the life of the floor finish and help maintain the gloss.

DANGER:

If swallowed, do not induce vomiting. Call physician immediately. Use with adequate ventilation. Avoid contact with eyes and skin. In case of eye contact, flush immediately with plenty of water for at least 15 minutes. If discomfort persists, see a physician. Inhalation may cause dizziness, drowsiness and throat irritation. Skin irritant. If irritation is persistent, contact a physician. Overexposure and/or individual sensitivity to components in the product may cause central nervous system depression. Do not puncture or incinerate container. Do not expose to heat or store at temperatures about 120°F (49°C) as container may burst. Avoid prolonged exposure to sunlight.
