

## DESCRIPTION

This powerful aerosol graffiti remover is formulated to remove oil-based marks, including spray paint, permanent marker, ink and other types of graffiti from hard surfaces. Marks are quickly dissolved and easily wiped away. The gel formula clings to vertical surfaces for better dwell time and performance.

Use on brick, tile, steel, brass, chrome, glass, porcelain, marble, enamel, and many other surfaces. Effective against ink, spray paint, marker, pen, lipstick, and many other substances.

## WARNING:

Flammable. May cause moderate eye irritation. Prolonged or repeated contact may dry the skin and lead to irritation (ie: dermatitis). Prolonged inhalation exposure can be irritating to eyes, nose and respiratory tract. Can be harmful or fatal at high concentrations. Ingestion can cause blindness. May cause nausea, vomiting, pain, and stomach upset (e.g., diarrhea). May affect the following organs: Liver, Kidneys, Nervous system, Eyes, Heart and/or circulatory system. Possible cancer hazard. Contains methylene chloride, which may cause cancer based on animal data and the duration and level of exposure.

### FIRST AID:

**EYES:** Immediately flush with plenty of water for at least 15 minutes. Remove contact lenses, if present and easy to do. Get medical attention if irritation develops or persists.

**SKIN:** Remove and isolate contaminated clothing and shoes. Wash off with warm water and soap. Get medical attention if irritation develops or persists. For minor skin contact, avoid spreading material on unaffected skin.

**INHALATION:** Move to fresh air. Oxygen or artificial respiration if needed. Do not use mouth-to-mouth if victim inhaled the substance. Induce artificial respiration with the aid of a pocket mask equipped with a one way valve or other proper respiratory medical device. Call a physician if symptoms develop or persist.

**INGESTION:** Rinse mouth. Never give anything by mouth to a victim who is unconscious or having convulsions. Do not induce vomiting without medical advice. If vomiting occurs naturally, have victim lean forward to reduce the risk of aspiration. Do not use mouth-to-mouth if victim inhaled the substance. Induce artificial respiration with the aid of a pocket mask equipped with a one way valve or other proper respiratory medical device.

KEEP OUT OF REACH OF CHILDREN

## WARNING:

FLAMMABLE

MAY CAUSE EYE IRRITATION.

CONTENTS UNDER PRESSURE

Read carefully other cautions on back panel.

NET WEIGHT: 15 oz (425 g)

Distributed By: Total Solutions®  
PO Box 240014 • Milwaukee, WI 53224

## DIRECTIONS

Spray directly on marked surface. Let stand no longer than 30 seconds, then wipe with clean cloth. For difficult marks spray again, let stand 60 seconds, then wipe off. In extremely difficult cases, such as on brick, use a stiff brush and work into stained area, then wipe off. Repeat process until area is cleaned.

**IMPORTANT:** Some synthetic surfaces such as asphalt tile, rubber, certain paints and plastics may be damaged by solvents. Always test in an inconspicuous area first.

### This Product Contains/CAS Number:

Methylene Chloride/75-09-2; Methanol/67-56-1; Toluene/108-88-3; Liquefied Petroleum Gas/68476-85-7.
