

Crawling Insect Killer that stops insects in their tracks

Formulated with Tetramethrin, this aerosol insecticide effectively eliminates crawling insects like roaches, ants, earwigs and more. The formula also features the ingredient Permethrin to offer long-lasting residual action to keep bugs from coming back again. This potent combination makes it ideal for crack and crevice treatment, as well as behind sinks, in closets and other hard-to-reach areas.

Use On:

- Cracks and crevices
- Rugs and carpeting
- In storage areas
- Behind sinks
- Between cushions of furniture
- Around pipes
- Under shelves
